

Central Bedfordshire SENDIASS

Who we are...

We are a statutory service that provides FREE impartial & confidential information, advice and support for parents/carers, children and young people (0 to 25 years) in relation to Special Educational Needs and Disability (SEND) in an educational setting. This is available for all residents of Central Bedfordshire.

The Team...

We are a small team who have experienced volunteers that support us.

- Wanda Chappell - SENDIASS Manager
- Abigail Stone - SENDIASS Partnership Officer
- Corrina Durcan – SENDIASS Support Officer

What we do...

We can support in a number of ways including giving advice over the telephone, attending school meetings with you, talking to you at a drop in session* that we run monthly, helping you to understand paperwork, offer a range of information leaflets, completing paperwork with you, supporting you if your child or young person is going through the Statutory Assessment process and signposting to relevant organisations that also may be able to provide you with support.

We may be contacted by phone, email, text, Facebook, Twitter and through an on-line self-referral form on the Central Bedfordshire website.
